

PARKLAND, Florida – September 5, 2008 - Member Reese McCauley sets new course record.

Clearly these days belong to Reese, two new course records in the same year by the same player.

On Saturday April 26, 2008, Reese broke the standing course record with a magnificent seven-under par 65 on this par 72 golf course, playing from the 7,118-yard Championship Tees.

Following that, Reese went two shots better when on Sunday August 17, 2008 he shot a nine-under par 63. On this occasion, Reese was accompanied by member's Rick Ellison, Tom Snowberger and Robert Oden. For the record, Reese carded (1) eagle, (8) birdies, (8) pars and (1) bogey playing from the Blue Tees on this par 72, 6,705-yard Greg Norman designed golf course.

“Breaking 60 is my ultimate target, said Reese. If I really had a wish, it would be to get a sponsorship break that would give me the opportunity to secure my professional tour card”.
